

SELLER CERTIFICATION FOR EXEMPT LISTING (OFFICE EXCLUSIVE)

This form is used to document your decision, as the seller, to limit marketing of your Property via an Office Exclusive. Your Property is identified in the signature block at the bottom of this form. Questions regarding your marketing options should be directed to your Broker.

1. **Scope.** You and your Broker, identified in the signature block below, have entered into a Listing Agreement for your Property with an effective date of _____ (start date) and ending on _____ (end date). Pursuant to the Listing Agreement, you have directed your Broker to market your Property for sale as an Office Exclusive.

2. IMPORTANT EXPLANATIONS.

- Active listings.** Most homes for sale are "active listings," which maximizes a property's exposure to potential buyers. If you complete this form, your Property will NOT be an "active listing" and you will be limiting exposure of your Property.
- Broad buyer and broker exposure.** Most brokers representing buyers learn about listings for sale through the MLS. Most home buyers search for available properties through major real estate websites and apps.
- Risks with limiting exposure.** Limiting marketing exposure of your Property means fewer potential buyers will see your Property, which could decrease the sales price and take longer to sell your Property. Electing your Property to be marketed as an Office Exclusive significantly limits exposure for your Property.

3. Office Exclusive Election:

☐ **OFFICE EXCLUSIVE** – I do not want my Property on the MLS and I do not want broad buyer and broker exposure.

My Property will:

- NOT be displayed on the internet on any websites or apps, including my Broker's website and apps.
- NOT be marked with a For Sale sign in the yard.
- NOT be included in other public marketing materials.

By making this election, you certify that you have read this form, made your election voluntarily, and understand that you are forfeiting the marketing advantages outlined above.

4. **Expiration.** If you subsequently direct your Broker to publicly market your Property, your Broker must submit your Property to the MLS within one (1) business day.
