

When Your Agent Enters Your Listing in the MARTHA'S VINEYARD MULTIPLE LISTING SERVICE

Your Listing is Shared With Buyers Across the Globe.

When your listing is entered into the Martha's Vineyard Multiple Listing Service it will be found by buyers on the world's leading real estate search portals and marketing outlets. Not only will your listing be exposed to these leading publisher sites, but the information will be updated every few minutes so it is always current.

HOME ON MV
POWERED BY MVMLS

Members can search for and share detailed information about your listing with potential buyers right from MVMLS, then contact your listing agent directly to schedule showings.

ListHub

Listings are shared to ListHub, a syndication platform that distributes listings to more than 80 top real estate search portals in the world. Visit listhub.com/publisher-list.html to see the full list of sites.

Your listing is shared on HomeOnMV.com, MVMLS's proprietary real estate search portal and property marketing platform. The search is powered directly by a real-time MVMLS data feed and exclusively features the listings of MVMLS members.

realtor.com

The MVMLS data feed to realtor.com lets your listing be seen through the realtor.com distribution network, including move.com and other premier real estate search sites.

ZILLOWGROUP

With the distribution of your listing to Zillow Group's search portals, you receive unparalleled marketing reach to Zillow, Trulia, RealEstate.com and other valuable websites.
