

MyFloodStatus FLOOD ZONE DETERMINATION REPORTS

PINPOINT ACCURATE, CERTIFIED AND INSURED

The most reliable structure-based flood zone reports used by Real Estate Agents

BENEFITS OF MyFloodStatus FLOOD ZONE DETERMINATION REPORTS

PROTECT YOURSELF FROM LIABILITY

Our flood determinations are certified and backed by \$2 million of E&O per report, removing liability from you.

ADVOCACY AND SUPPORT

We are your advocates. We offer you reliable, accurate information and the allied support of our expert team.

BE AN EXPERT REAL ESTATE AGENT

Be one of the best in the business by having the most reliable information available on every property.

WIN MORE LISTINGS

Having superior, accurate and reliable information will help you win more listings along with the trust and confidence of your buyers and sellers.

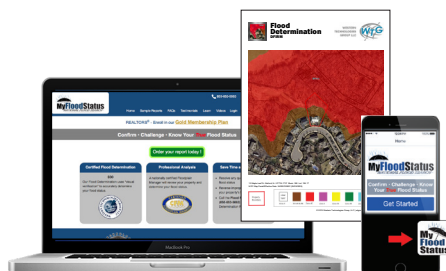

MARKET MORE PROPERTIES

Market low-risk properties that reside in high-risk areas, with certified proof of a structure's location in relation to the Special Flood Hazard Area.

SAVE TIME AND MONEY

With pinpoint accurate information and support from our Flood Resource Center, you'll save time and money for yourself and your clients.

GET THE SUPPORT OF OUR FLOOD RESOURCE CENTER

Staffed by highly trained Certified Floodplain Managers (CFMs), GIS specialists, Flood Analysts and other experts, we offer you:

- Education and support
- Elevation Certificate guidance
- Letter of Map Amendment application services
